To the young men of the 2011-2012 High School Junior Class in Ohio:

As a junior, within a year you will be headed for college, the military, or the pursuit of a vocation.

The summer of 2012 will be a pivotal one for you in many ways. You have much to do now to prepare yourself for your future.

One event can assist you in preparing for your future by providing the experience of living in a college environment; the learning of leadership and management skills to serve you in any career path you choose; the formation of friendships which may last a lifetime; combined with teaching you about a vital part of every citizen's life; how our Ohio government operates and functions.

The Ohio American Legion presents the American Legion Buckeye Boys State program at Bowling Green State University.

Interested students are invited to visit the official Buckeye Boys State website at www.ohiobuckeyeboysstate.com to explore the opportunities Boys State can offer.
