Over 700 of the top juniors in the state representing 85%-90% of all the high schools in Ohio are anticipated to attend. Boys State also welcomes home schooled students and online students.

Through Buckeye Boys State, young men gain knowledge about Ohio government to benefit them in problems of democracy, political science, and AP government classes senior year.

Shortly after the first of the year, your school should be contacted by representatives of your local American Legion Post who will have complete enrollment information on Buckeye Boys State.
