Dear Buckeye Boys Stater and Parents:

Congratulations on being selected to represent your community at this year's Buckeye Boys State. This is an outstanding program and being chosen is a great honor. To commemorate this outstanding achievement the American Legion has selected Jeffrey Hall Photography to create a photograph of each Boys State City.

The photographs will be taken early in the week and will be ready for you to take home. Your counselors will have additional information.

This professional 8x10 color photograph is in a folder and is only \$14.00. To order your photograph please fill out the order envelope enclosed in your information packet, along with your payment of \$14.00 (cash or check) and present it when you have your city photo taken

Being chosen to attend Buckeye Boys State is an honor bestowed too only a select few. The friends and memories will last a lifetime and this photograph will be a cherished reminder of this week.

Jeffrey Hall Photography is proud to be a part of the American Legion Buckeye Boys State team. Again, we congratulate you on the outstanding honor and we look forward to photographing you and your many new friends at this year's Buckeye Boys State.

Please remember to bring your completed order envelope with you on photo day.

Once again congratulations,

Jeffrey Hall Photography
